

## Three Rivers Leatherneck Detachment 310

### 2020 Holiday Service Project Project Coordinator Janet Lindner

The Detachment is continuing to support the same Holiday Service Project that we have done since 2006. *It will be modified slightly due to the pandemic restrictions.* Last year the Detachment collected monetary contributions and toys & gifts for several deserving organizations. Janet used the donations to purchase additional toys & gifts. A carload of items went to **North Hills Community Outreach**. Items were also distributed to **Genesis of Pittsburgh in Bellevue**. They were extremely thankful for our generosity. *This year the need will be greater than ever due to the effects on the economy caused by the pandemic.* Because of the pandemic we will not be collecting items for VA Hospital patients this year.

**We are going to begin the collections in October so that the items can be given to the organizations by mid-November.**

#### ***WHAT:***

- Toys, gift items, **especially needed are items for boys & teenagers**; any Steelers items (shirts in large sizes); **gift cards**; even small toys & items less than \$5 are greatly appreciated. **Do not wrap the items.**
- Holiday gift-wrap & **gift bags**, ribbon & tape are also needed.
- Monetary donations will be used to purchase toys & gifts & gift cards.

#### ***WHEN:***

#### ***HOW:***

- **Contributions by check can be sent to Janet Lindner, 930 Perry Highway, Pittsburgh, PA 15229.** If possible, make the checks out to Janet Lindner to simplify the process. (All monies are accounted for and a report is prepared for the Detachment).
